DETAILED ACTION

Claim Rejections - 35 USC § 112

Claims 1-25 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In regard to claim 1, Applicant's use of alternative language (i.e. "or") in lines 3 and 11 renders the claim indefinite; the use of alternate language should be avoided and Examiner suggests employing language such as - - at least one of - -. Also in regard to claim 1, it is indefinite as to what is defined by "or part thereof" (line 3) since it unclear as to whether the "part" is referring to the "chamber" or "housing" as claimed.

In regard to claims 2,3,5,13,18,19 and 25, Applicant's use of alternative language (i.e. "or") again renders the claims indefinite similarly as discussed in the previous paragraph; the use of alternate language should be avoided and Examiner suggests employing language such as - - at least one of - -.

Allowable Subject Matter

Claims 1-25 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
